LB 566

SPEAKER LUEDTKE: I can speak to that one.

SENATOR DUIS: That would be fine. Bereuter wasn't here but I guess that you can handle it anyway. I just wanted to bring it to the attention of...that maybe we could get over these quickly.

SPEAKER LUEDTKE: Why don't we start out with them and find out where we go. You are saying that 742 is going to take some time, is what you are saying.

SENATOR MARVEL: Are we ready for LB 566.

SPEAKER LUEDTKE: All right, lets proceed with it.

SENATOR MARVEL: What is the status of 566 Mr. Clerk.

CLERK: Mr. President, there are E & R amendments to 566.

SENATOR MARVEL: Senator Duis.

SENATOR DUIS: Mr. President, I move the E & R amendments be adopted.

SENATOR MARVEL: Is there a second? All those in favor say aye, opposed no. Motion carries. The E & R amendments to 566 are adopted.

CLERK: Mr. President, Senator Schmit moves to indefinitely postpone LB 566.

SENATOR MARVEL: Chair recognizes Senator Schmit.

SENATOR SCHMIT: Mr. President, members of the Legislature. Senator Bereuter is not here this afternoon and it would be unfair for me to pursue the kill motion with him not here. I have also read his amendment which he has filed with the Clerk. His amendment does virtually the same thing that a kill motion does except that it allows the bill to survive in name. So, at this time I would ask unanimous consent to withdraw my motion to indefinitely postpone and support the Bereuter amendment, which in effect kills the bill.

SENATOR SAVAGE PRESIDING

SENATOR BURROWS: (no response).

SENATOR SAVAGE: No further lights on Senator Luedtke, do you wish to close.

SPEAKER LUEDTKE: There is nothing before the House. Isn't there an amendment? No, he just withdrew his kill amendment.

SENATOR SAVAGE: Motion to advance the bill, is there any discussion?

CLERK: No, no, no. I have amendments.
